

## Holiday Celebration for High Point

❄️ ❄️ ❄️ **SANTA ARRIVES** ❄️ ❄️ ❄️

Sunday, December 20 at 2:00 pm

High Point residents with young children and grandchildren are invited to join in the Holiday Fun as we celebrate the season. Our traditional Holiday Celebration will feature that jolly old guy in the red suit. Santa Claus will be at High Point to greet his friends at the High Point club house on **Sunday, December 20**. A family Magic Show will begin promptly at 2:00 pm. In past years we have had a big crowd and so we encourage families to arrive on time, as kids especially appreciate the magic show.

Santa will arrive soon after we start and there will be cookies and punch. We will design wonderful fashion creations with balloons for kids to take home. (Reservations are not necessary.) **Mark your calendar now!!!!** This event takes place no matter what the weather, so please plan to join us at the High Point clubhouse on Sunday, December 20. (This event is only open to High Point residents.)

*If your child or grandchild needs to see Santa to communicate last minute requests or updates, put this party on your calendar. Avoid long lines at the mall and visit the real Santa here at High Point.*

Polaroid photos with Santa will be provided to all children attending (or bring your camera). A parent must accompany any child who attends (*this event is designed for kids 10 years old and younger*).

## ↗️ Annual Meeting January 21 ↙️

Association trustees announce the annual association meeting will be **Thursday, January 21** at 8:00 pm at the clubhouse. In addition to the election of trustees, there will be information about projects in the association. All residents are invited to attend. *A Welcome to High Point for new residents will take place prior to the meeting at 7:30 pm. No reservations are necessary to attend.*

## Association Dues Required in January

High Point dues for 2010 will again remain at \$330 per residential lot. These are due January 1st. Invoices will be sent to each homeowner at the end of the year. Dues payments received after January 31 will be assessed late fees. ***We appreciate residents who pay their dues on time.***

## Trustee Positions Available

Two trustee positions expire in January. There are five trustees, each elected for a two-year term. Bob Campobenedetto and Ken Evans are completing their current two year term that began in 2007. David Knowles, Jack Schneider and Mark Skalak were elected in January of 2008. Those interested in submitting their name as a trustee candidate should call David Knowles (238-5769) or Mark Skalak (238-5955) before December 22. A January newsletter will include a trustee ballot. It is anticipated the trustees whose term expires will be candidates for re-election. High Point, like other businesses, is governed by a board that makes financial and operational decisions regarding corporate day-to-day activities, requiring a significant time commitment of time on the part of those who volunteer.

Invoices for association dues for 2010 (your annual \$330.00 assessment) will be sent to homeowners at the end of December. ## 2010 Clubhouse Rentals Booking Fast

If you look at the up-to-date website 2010 calendar for Clubhouse rentals, you will find many dates already rented. If you have a graduation, anniversary, shower, wedding reception or other event you are planning, we suggest you reserve your date as quickly as possible to get your choice. Check the website and then call the Homeowner Hotline (440-638-4304) to make your reservations.

Summer rentals using the pool *until midnight* (private use from 10:00 pm to midnight) are available for **\$250** for the summer of 2010. Clubhouse rentals (with or without pool use) where the party ends at 10:00 pm will still be \$125. A security deposit of \$300 (one check for \$50 and one for \$250) is required. Signups are done at the clubhouse and checks for the rental are submitted at that time.

## GIVE KIDS A BRAKE!

Even in the winter, drivers in High Point need to be aware and careful. Snow mounts and winter road conditions make driving (especially at night) hazardous for kids and pedestrians. While everyone is in a hurry during the holiday season, we ask you to take your time as you drive through High Point and keep your speed within the posted limits. Even in the mornings as kids wait for school buses, we ask that you watch out. As the winter evolves more into the snow season, the snow piles at intersections will hide youngsters who wait for school buses. Please drive carefully and give our kids a brake.

## Financial Review Completed for 2008

A financial review of the 2008 calendar year was completed this past summer by Jurcago & Company, certified public accountants in Strongsville. Copies of the report, a comprehensive financial review of receipts and procedures, are available on request. This report assures residents of continued safe and sound business practices. Although not an audit, the review addresses four major items: 1) reconcile cash on deposit to balances shown as of December 31, 2008; 2) test of dues and rental income as reported; 3) review disbursements for proper payment and classification as reported on statements; and 4) check financial statements as of December 31, 2008. This protects residents so they can be sure funds are on deposit and used appropriately. Questions about this report may be directed to Bob Campobenedetto (238-3013) or Ken Evans (572-3292).

## For Your Personal Sledding Safety

Sledding is not allowed on common property. As hills in the common area are too small for this activity and are close to homes, it is dangerous and can easily cause property damage. Certain areas were identified incorrectly by the developer as winter sports areas. Please observe this restriction.

Our association is fortunate that Southwest General Health Center has agreed to allow sledding on the mounds which buffer our development. Sledding is allowed on the slope facing the health center (not on the High Point side where trees were planted on the slope and exist in back yards). This is a large area which can accommodate a large number of people. **As with any activity of this type, parents should be present with participants under 12. Please note those going to this area should NOT use the yards to cut through to the mound.** Ample parking is available to drive and park behind the Health Center. We appreciate this generous arrangement by SWGHC officials.

## Neighborhood Safety

During the winter season, many visitors come into our development. Some are invited and some are not. Be on the lookout for activity that does not look right and call police. If neighbors are on vacation and you see lights on in the house, it is usually a bad sign. If you see or hear people roaming the area late at night, a call to the police is also warranted. Vandalism, damage and theft all usually take place at night, under the cover of darkness. Look out for your neighbors and call police when you see something that does not look right. Police would rather respond to false alarms than not be called and complete crime reports later on. Make sure your front post light is working to light the night.

**please note**

## Swim Passes Ordered with 2010 Dues

Attention residents! Pool pass registration forms for next summer will be distributed with the Dues Invoices. **Pool Pass Registration forms for 2010 MUST BE RETURNED WITH YOUR DUES PAYMENT BY JANUARY 31.** We will not have spring pick up times or fill orders during the summer. This past year, association trustees spent considerable time filling pool pass requests throughout summer months. Most other homeowner associations handle pool passes with a similar advanced registration procedure. 2010 Passes will then be mailed first-class to residents the first week in May. (We will supply the postage and label – no self-addressed, stamped envelope is necessary.)

**IF YOU EVEN THINK YOU MIGHT WANT TO USE THE POOL IN 2010**, then you should order pool passes with your dues payment. You have already paid for these in your dues. We know there are many homes for sale in the development, and in the event your home is for sale and sells before or early in the summer, new residents will have the opportunity to get pool passes at that time.

**NEW IN 2010 – If you do not order your pool passes before May 1, 2010, you will pay a new \$10.00 administrative fee (which the trustees will donate to the High Point Swim Team) to get your passes. As trustees, our time is valuable and when pool pass orders are filled during the spring, it is done at times that are convenient for board members. After May 1, everyone wants their passes right away and the element of convenience is no longer available. Please order your 2010 pool passes with your dues payment and you won't have to worry about the fee.**

## Retention Lake Safety

High Point residents are reminded that the two retention lakes in the development are NOT intended for recreational activities, including ice skating. These bodies of water are designed for the purpose of detaining runoff water from the development and surrounding areas. **It is especially important to understand that these lakes do not easily freeze and should NEVER be used for ice skating.**

## Conference Room at Clubhouse

If you are part of a committee or small group that needs a place to meet during the day or evening, you may use the room at the clubhouse. There is no charge to use this room that can hold as many as 20 people for small meetings. Call the Homeowner Hotline to make arrangements. 440-638-4304
