

Resident Survey Results Tabulated

Association trustees would like to thank the 43 residents who took the time to respond to the online Resident Survey in January. Although this represents under 7% of the homeowners in our development, the trustees spent significant time reviewing the tabulated responses and especially comments that were offered on various issues. We believe the responses are representative.

Results of the survey can be viewed by everyone by going to our website. A tab on the left side takes you to a page with the Results and Responses from the Trustees to many of the comments that were made by residents. We appreciate the input and candor of those that responded.

What are the highlights? Overall 42 of the 43 respondents were very satisfied or satisfied with High Point as a place to raise a family. Our cross section of homeowners included new residents and many who have been in High Point for a long time. As we are an older population of residents, it was not surprising that the vast majority of those responding did not participate in any activities offered by the association. While most residents indicated our amenities are excellent or good, the trustees recognize the need to maintain and improve our facilities is very important.

Although some residents suggested sending news via the internet as an alternative, a high majority favored the current print format as the preferred delivery method. As we have often heard from prospective home buyers, our current homeowners agree that our website includes a wealth of information. But don't take our word. Read the survey results for yourself. Should you not have online access, contact the Homeowner Hotline to request a paper copy of the survey results.

Pool Hours, July 4 Parade, Family Movie Nights, and More in this Newsletter

Memorial Day Weekend Pool Party

High Point pool **opens Saturday, May 27**. Residents who completed a 2017 registration form and sent it with their dues will get their pool passes in the mail around May 13. Passes are always required for pool entry. Thank you to homeowners who ordered their passes with their dues.

To Celebrate Memorial Day Weekend, you are invited to the pool on Saturday, May 27 for free hotdogs and soda from 12:30 pm to 2:30 pm. In case of rain we will move to Sunday or Monday, same time, as needed. Bring your family, have fun and enjoy our cool water features. Pool passes required for entry.

WHAT HAPPENED WITH THE BYLAWS VOTE?

Thanks for asking. Association trustees knew it would be a long process to collect ballots for the proposed ByLaw changes. These were presented at the Annual Meeting. Trustees voted to suspend the Annual Meeting, which allows for the continuing collection of ballots. It is not too late to vote for or against the 3 proposed changes. A ballot page is included in this newsletter.

Questions related to fences and sheds have been asked by residents. Those two items are part of the Covenants & Restrictions, which can be found on our website. To make any change to the C&R, it requires approval by 90% of the residents. **We are attempting to make three changes to the ByLaws, which are operational procedures and requires approval of a simple majority of the 640 residents.** Association trustees support these changes and encourage homeowners to review these proposed changes and to cast their ballot. Trustees will be knocking on doors this summer to collect ballots as needed to reach a consensus. If you have not yet voted, please do.

Your Pool is the Best!

Our association intends, whether guests are young or old, for every individual and every family to enjoy our swimming pool facility without worrying about water safety or interference of undesirable language or unruly activity in the pool area. This is first and foremost, a recreational facility with the specific purpose of providing a fun, relaxing and safe place for residents and their guests to spend time with family. **Using a pool pass means you have accepted all High Point Pool rules.**

This will be another busy summer at our pool, as High Point is the busiest outdoor pool in our city. Every year we have many residents who are new to the area and are using our pool for the first time. We ask everyone to be gracious and help new residents feel welcome and understand the rules so everyone can have a safe and enjoyable time. ***Pool rules are printed in this newsletter.***

Lifeguards are employed through Metropolitan Pools to ensure swimmer safety. Association trustees require lifeguards to enforce the pool rules that are designed to protect everyone and ensure a pleasant atmosphere. Lifeguards are empowered by the trustees to require residents and guests to follow rules published in this newsletter and any that may be posted at the pool. This especially refers to health and safety concerns. **SWIM DIAPERS MUST** be used at all times by younger swimmers. Health precautions should include preventing germs from travel by covering your sneezes and coughs. Our bathrooms are all stocked with soap for washing hands and we have hand sanitizer dispensers available at each of the four light poles around the pool deck area.

Do NOT bring sick children to the pool for Toddler Swim or during regular swim hours. Baby sitters should understand they are responsible for making prudent decisions about bringing children who are not feeling well to the pool or the association playground area. Stay home if you are sick.

In recent years the television and music industry have unfortunately changed the landscape of what is acceptable and appropriate in language and activity. High Point is a family facility and frequented by residents with young children. Profanity in any form, harassment in any form and suggestive activity is not appropriate and will result in immediate removal. Our lifeguards are asked to provide enforcement in this area and the trustees have directed a low tolerance level for this unacceptable behavior. Situations requiring lifeguard response are referred to the trustees for final disciplinary action. If you need further interpretation or explanation regarding what is or what may not be appropriate, contact any member of the trustees for clarification, not the lifeguards.

Our bottom line is that we ask each and every resident to respect other people. It is that simple and if everyone does just that, we will all have a relaxing, enjoyable and fun summer.

Parent Responsibilities at the Pool

Metropolitan Pool Service provides our lifeguards under contract. They are present for the primary task of ensuring the safety of our swimmers. Metropolitan Pools guards attend certification safety classes and conferences during the winter months and the number one topic of discussion is the lack of parental responsibility for supervising their own children in the water. Parents assume lifeguards are present so they don't have to watch their children. Nothing could be further from the truth. ***Lifeguards are there to assure safety and help in the event of an aquatic emergency, not to watch children instead of parents.*** It is impossible to prevent every emergency, but the lack of parental responsibility has contributed to the increase of incidents in recent years. Trustees are concerned about this situation and have agreed that signs will be posted at our pool indicating that parents must watch their children and must be in the water with non-swimmers at all times (and be within arms reach of non-swimmers). Our primary goal is a safe pool for all residents.

Only Coast Guard approved floatation devices are permitted for children. High Point lifeguards are instructed to only allow Coast Guard approved floatation devices. Others are not permitted. Please prepare accordingly.

Pool Rules for Everyone

Pool passes are collected at the podium by lifeguards. Under the authority of association trustees, lifeguards are authorized to refuse entry to anyone without valid passes. Pool passes are returned by lifeguards when residents leave the pool. ***Your patience and cooperation are appreciated as you enter and leave the pool facility, especially at break periods, when it is very busy.***

ALL DECISIONS BY METROPOLITAN POOL LIFEGUARDS ARE FINAL. Questions/comments regarding Metropolitan Pool lifeguards or pool rules should be directed to association trustees. Please respect the authority of the lifeguards and follow their directions while you are in the pool area. Your cooperation is appreciated. We have retained this professional firm to manage our daily operations due to the complexities and importance of this facility. *Safety is our number one priority.* ***Only Coast Guard approved floatation devices will be allowed to be used at High Point pool.***

Pool passes are issued to individual family members who reside in the High Point home. Names and addresses should be written in ink on each pass. Ages are determined as of September 1, 2017. ***Issuance of Adult passes may require verification of age by the trustees.***

ADULT PASS - Issued to persons 16 years and older. *Age as of 09-01-2017*

TEEN PASS - Issued to persons 12 through 15 years of age.

CHILD PASS - 11 years and younger, MUST be accompanied by ADULT.

Rest Break - All swimmers (except adults and infants) are required to take a rest break each hour while at the pool. This means young swimmers must *completely* exit the main pool and zero-entry. Breaks are scheduled the last 15 minutes of each hour. Infants (two and under) are allowed in the water only with adults during the break. There is no rest break the last hour at the end of the day.

Private Parties - Residents may rent the clubhouse for private parties that may begin as early as 5:00 pm and must share the pool until 10:00 pm. **All private party guests using the pool must wear provided wristbands for identification.** Private parties must end by midnight and there is an option offered again this year for non-pool summer rentals for showers, anniversaries and birthdays. See additional details and club house rental information elsewhere in this newsletter.

Important Clarification – Our clubhouse facility closes each night when the pool closes at the scheduled time. Everyone must exit at that time. Bathrooms are NOT available after closing.

Any use of profanity, vulgar, sexually or racially offensive language - witnessed by a lifeguard or reported to a lifeguard by an adult - will result in immediate ejection from the pool for the rest of the day and possible review by the trustees. Verbal or physical abuse of a lifeguard or reckless endangerment of other swimmers will result in immediate ejection from the pool and prohibited re-entry until the matter is reviewed by the trustees. Lifeguards have been directed by the trustees to request assistance from the Strongsville Police when any situation might threaten or compromise the safety of the lifeguard staff, residents or swimmers.

NO running or horseplay is allowed in the pool or deck area to ensure the safety of everyone at the pool. Behavior or actions that, in the judgment of lifeguards, breaks pool rules or endangers the safety of swimmers will result in the following disciplinary measures: (except as otherwise noted)

1st situation - Lifeguard will give a warning to swimmer.

2nd situation - Individual will be required to sit on deck at lifeguard chair for 15 minutes.

3rd situation - Individual will be sent home without pass and not be allowed to return until a meeting is held with parent, Metro Pool Manager and HP trustee.

A **Family Guest Pass** is offered to residents who consent to use of this pass by teenage family members. High Point teenagers may bring up to two guests 12 to 15 years of age, NOT children under this age. Parents, *who are required to authorize this use*, are responsible for the conduct of the teenagers and their guests. (Trustees reserve the right to revoke this privilege if warranted.)

All valuables, especially purses and wallets, should be left at home. High Point is not responsible for money or valuables lost in the pool or clubhouse area. Lost articles from the pool area can be found in the coat room in the lobby, but items are kept for a very short time. *continued . . .*

Swimmer safety is the primary concern of lifeguards, who are responsible for deciding what toys or objects are allowed in the pool. LIFEGUARDS WILL MAKE THAT DETERMINATION BASED ON THE NUMBER OF SWIMMERS AND POOL CONDITIONS to protect the safety of everyone using the pool. **Rafts, inner-tubes, rings, wings and other floats are NOT permitted at any time.** Noodles are allowed. Squirt guns and other water shooting toys or Soak-A-Saurus noodles are **NOT** permitted. **Only Splash Bombs or similar balls may be thrown. Objects such as tennis or foam balls that absorb water and become heavy, may NOT be used at any time.**

For the safety, health and welfare of all swimmers, **proper swim suits are required** at all times in the pool. **These are prohibited: 1. Clothing that could contribute to entrapment and inhibit life-saving measures; loose fitting clothing; heavy garments; cut-offs; and jean shorts. 2. Clothing worn for workout or other purposes prior to using the pool.** Deck chairs and lounges are intended for adults, unless pool is not crowded. Radios and CD players must have earphones.

Lifeguards have first-aid kits for accidents and injuries. Please report ALL accidents and injuries to lifeguards to ensure proper medical treatment and trustee attention to dangerous conditions. To prevent injuries, **FLIPS INTO THE POOL ARE PROHIBITED.** Diving is in the deep end only.

ALCOHOLIC BEVERAGES are NOT permitted in the pool or the deck area during normal pool hours when the facility is open to residents. SMOKING is **NOT** permitted within the clubhouse, deck or pool area. A designated smoking area is available outside the clubhouse entrance.

A Guest Pass is issued to each resident family with 30 uses. These are to bring relatives or friends. Each person equals one use. As cards are used, holes are punched to mark uses. (Four guests would be four punches.) Additional Guest Passes can be requested. Adult Guest Passes may be used by adults only. A Family Guest Pass, with parental consent, may be used by teenagers to admit two guests age 12-15. **High Point residents must be present at all times with invited guests.** Please read special notice in this newsletter regarding UNAUTHORIZED parties for birthday, graduation, sport teams, etc. using the guest pass instead of clubhouse rental.

Glass containers or bottles are NOT permitted in the pool area at ANY time. Food and beverages may be brought to the pool, but only on the grass areas. Paper and cans should be thrown in trash containers provided in the deck area. Please pick up your own litter when you are leaving.

Lost Pool Passes can be replaced by trustees. Lifeguards have forms at the podium. Leave the form with the lifeguards. Replacement passes will be available at the podium on Saturdays. In case of thunder or threatening weather, the lifeguards have complete authority to clear the pool immediately. If the storm passes and weather conditions improve, the pool will reopen 30 minutes after the last thunder. After prolonged storm conditions, the pool will reopen if there is more than 3 hours left in the day. You may call the club house lifeguard station **(440-638-4305)** to check on the pool status. When the temperature is below 60 degrees or in bad weather, the pool will be closed.

ATTENTION TODDLER PARENTS: We have had incidents of bacterial release in recent years from toddler diapers. Even though there are new and improved designs on the market, NO diaper works unless parents monitor their youngsters. There is no excuse for a parent who does not accept this responsibility. Metropolitan lifeguards are prepared to respond to a bacterial release in the pool. There is no danger or risk to residents, thanks to the regular chlorine level of our water. Should there be an accidental bacterial release, lifeguards will evaluate the situation and respond. If necessary, the pool may be closed for a period of time while additional chlorine is added to the water. If additional steps are necessary, lifeguards will make the decision with trustees, observing all required health standards to protect the safety and health of residents.

There is a dedicated swim time for toddlers from **11:00 am** to noon, **Monday through Friday. This is for toddlers only (defined as youngsters six years and under) in the zero-entry section of the pool** while swim team is practicing in the main pool. Parents must accompany children. Pool passes are required and only High Point residents are permitted (sorry, no guests). A lifeguard will be on duty in the zero-entry during this time. **Toddler Swim will be June 8 through August 23.**

High Point's pool temperature is a constant 80 degrees. Nice and warm.

Wooded Areas & Common Grounds

Greenbelt areas benefit all residents and are maintained in a natural state. **Residents may not dispose of landscape debris in common areas.** Homeowners are NOT permitted to clear greenbelt areas or cut down trees. ***Weapons may not be discharged in the city, including common areas. Paintball guns and BB guns are illegal and violators are subject to arrest.*** Forts and other structures may not be built in common areas. Report violations to Homeowner Hotline.

DIDN'T ORDER YOUR POOL PASSES?

If you need Pool Passes, get a 2017 Pool Registration Form at the pool or download from our website (www.hpohio.com). Pool pass orders will be held at the LIFEGUARD PODIUM. They can be picked up when the pool is open. Summer pass requests will only be filled once each week and held at the podium. **Pool passes are required for entry to the High Point pool** for the safety of High Point residents. This is enforced by lifeguards as directed by association trustees. Be aware – No Pool Pass – **No Entry**. If you think you might go to the pool this summer – stop by Memorial Day weekend and drop off your form and check with lifeguards and pick passes up the next day.

When you order passes now, a \$10 late fee is charged. Trustees will donate late fees to the High Point Swim Team. Make \$10 check per order payable to High Point and submit with your order. Please note the fee is waived for residents who have moved in after January. Check the box on registration form.

Due to safety concerns, High Point trustees require pool passes always be presented by residents to enter. Please do not leave passes at lifeguard podium, but take them home with you after each visit. If you do not have pool passes, you will not be allowed to enter. *Thank you for cooperating.*

Movie Nights at the Pool

Back, by popular demand, are Family Move Nights. This year we again present FOUR movie nights. Movie choices will be announced at the pool and on our website by June 24 (titles and movie rating). Films are shown RAIN or SHINE - indoors if weather is questionable or if it rains. Start times will be posted for each night. Restrooms are close and we will have one intermission.

These will be shown on a huge outdoor screen on the pool deck so viewers can be in the pool or in chairs. While the movie is showing the pool will remain open (we anticipate movies will end about 10:15 pm). Bring your blankets and relax while enjoying family fun at the movies. 2017 dates:

About Fences and Sheds in High Point

Calls are received periodically about fences and sheds in High Point. These are **NOT** permitted in by the Covenants and Restrictions. There are several that were built prior to 1990, when the developer had control and may have allowed them. Trustees have a legal responsibility to uphold and enforce Covenants and Restrictions. Trustees do not search for violators, but must investigate reported complaints. Our enforcement has been consistent and upheld by the courts.

There are several indoor pools within the development that are permitted. Outdoor pools are not permitted because they would require a safety fence around the pool. Changing the Covenants & Restrictions requires approval by 90% of the residents (576 of 640) for any change. Your trustees consider this to be an impossible task and therefore enforce the C&R as they were written in 1976.

Article VI, Section 2 of the Covenants and Restrictions (amended in 1986) says in part, “... **No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, except by the developer, or its authorized builder, building company, or other person, firm or entity.**” This statement has been interpreted by the Cuyahoga County Common Pleas Court to mean that fences and sheds in High Point are prohibited. Trustees are obliged to enforce this restriction in a uniform manner. Homeowners who violate Covenants and Restrictions, including the above, should expect the trustees to pursue the matter as necessary, including taking legal action against violations. We appreciate High Point residents who observe the requirements.

July 4th Parade!!!!

Be sure to mark your calendar for Monday, July 4th when High Point will have our annual Parade! Decorate your bike, wagon, stroller, or yourself and be part of this event. Meet at the clubhouse parking lot at noon. Parade route is Lexington Lane to Saratoga to Brandywine with a Strongsville Police escort. Everyone gets a free cool treat when they return to the clubhouse from the Parade.

Reminders You Should Know

Common Sense – Common areas are NOT places to build forts, treehouses or fire pits, position swing sets or cut down trees. Report damage to these natural areas. Elementary youth or younger at our playground area should have adult supervision. Dogs, especially when in the recreation and playground area, should always be on a leash and never running free. Cats should never be left out at night to roam and PLEASE pick up poop after your pets, especially in our playground area!

POOL GUEST PASS LIMITATIONS - Guest passes may not be used to host unauthorized group events such as graduation, birthday, team, etc. *This puts pool safety at risk.* Unauthorized pool parties of more than 12 compromise the safety of swimmers, especially on weekends. **Residents who want more than 12 guests for a party, MUST rent the club house.** (See rental information in newsletter). Guest passes were designed to allow residents to bring relatives or friends to enjoy our facility. Unauthorized parties will be required to leave the pool. Failure to observe this policy will result in a review by association trustees. ***If you have questions about the policy, call a trustee.***

Vehicle Storage - Campers, recreational vehicles, boats and trailers must be stored in a garage or away from your home, not in your driveway as required by the Covenants and Restrictions. Please use good judgment when doing recreational vehicle or boat cleaning or vacation preparation at home and limit these activities to one week or less. Please don't block the sidewalks. Thank you.

☐ ☐ ☐ ☐ Speeders Beware ☐ ☐ ☐ ☐

During the summer months Strongsville Police officers give special attention to address speeding problems in our development. Expect targeted enforcement. Please go slow. Give Kids a Brake!

Bring Your Own Snacks for 2017

Residents may bring their own snacks to the pool. No glass containers are permitted at any time.

Our High Point Sharks Swim Team soon begins practice for another summer in the Strongsville Swim League (SSL). Our association is proud to have swimmers and families participating in this excellent activity. Our Sharks will be working hard to compete in the swim league competition.

This is a competitive league, but each team works with swimmers to help them learn and develop. Winning is defined as giving the best effort, improving and having fun. Our swim team is open to all young residents who can swim the length of the pool and are under 18 years old as of June 1, 2017. Direct **last minute** inquiries via email to co-president at: janie.devito@united.com

RETENTION LAKE NOTES

Our two lakes in the development are NOT for fishing or other recreational activity. These are for detaining runoff water. Children should stay out of the area because the lakes have steep banks and the water can have debris and contaminants. Lifesaving equipment is not provided. Our lakes are treated by a professional firm to prevent algae buildup and other chemical problems. No trespassing signs are posted..

☺ Eggciting Easter Egg Scramble ☺

We had wonderful weather for our 30th Annual Eggstravaganza. Despite a few glitches in the event, children picked up over 3,800 brightly colored Easter eggs in a few minutes. Apologies were offered by trustees when the normal sequence of age groups was disrupted and all groups started together. Trustees would like to recognize and thank Trish Allen, Bob Baxendale, Pat Beran, Laurie Campobenedetto, David Harbart, Danica Houlé, Bob Jirik, Allison Knowles, Jenna Larson, Cindy & Rick Marcu, Tina & Jed Owen, Sarah Polo, Mark Skalak, and Sarah Thelander for their help filling the eggs. Please recycle the plastic eggs with your recyclable materials, as we are unable to re-use eggs next year (due to health and other concerns). See you next year.

Fore! Somewhere Else

Southwest General Health Center allows families to use their hills for winter sledding and invites summer activities such as kite flying, playing catch and such. We are fortunate to have the area near our development. This is a great benefit to our association. Practicing golf on SWGHC property is prohibited. Hitting golf balls in this area is dangerous and prohibited, whether hitting golf balls on top of the mound towards the hospital or teeing off on the flat lower area. This is a risk to hospital employees and patients. We appreciate your cooperation in golfing elsewhere.

How Can I Rent the Clubhouse for a Party?

Homeowners may rent our clubhouse for private parties. We suggest reserving dates in advance, but you can check on short notice. Go to our website and click on "Clubhouse Rentals" tab to check dates. Then call the Homeowner Hotline, 440-638-4304, and leave a message. Your call will be returned in a few days. Clubhouse rentals are a privilege reserved for High Point residents only and not friends, relatives or the general public. Activities are limited to family entertainment and recreation, unless otherwise approved by trustees in advance. **Room capacity is 120 people.**

Non-Summer Rentals

Rentals for non-summer months (September to May when pool is closed) are \$125 per day. Our clubhouse is available for rent weekends, weekdays and weeknights for events. We suggest booking as far in advance as possible.

Summer Rentals

POOL RENTALS may begin no earlier than 5:00 p.m. for Friday, Saturday or Sunday evenings, but must share the pool with residents during homeowner hours. Parties that end by 10:00 p.m. are charged \$125, which includes the cost of lifeguards and shared time with residents. Parties may go beyond 10:00 p.m. to midnight (two hours of private swim) at a cost of \$250. Rentals must end as scheduled and cleanup must be done immediately. (Note: Summer rentals using the pool may not begin until after 5:00 p.m. due to the heavy bather load between the hours of noon and 5:00 p.m. Allowing private rentals during the afternoon hours would compromise safety for swimmers, the highest priority for lifeguards.)

NON-POOL RENTAL summer fee is \$125 (anniversaries, baby or wedding showers, retirements, etc.) and may be any time during the day or evening. A Non-pool rental may not use the pool for their guests even after 5:00 p.m. Any use of the pool violates the rental contract and can result in forfeiture of security deposit, as it is a safety issue for lifeguards.

SWIM MEET PARKING PAINS

Home swim meets for our High Point Sharks are a challenge for residents and participants. Please use common sense, have patience and observe No Parking signs around the clubhouse streets when High Point hosts a swim meet. We have a shortage of parking for big events, but it is a small price to pay for the four home meets we host (only two of them are real challenges). **On the other hand, it is fantastic that we have over 40 families involved in swim team every year!** Thank you for your patience and cooperation on the days of home meets. Thank you in advance!

SPRING CLEAN UP

Spring is here and it is time to clean up winter debris and make everything pretty. Take a look at your home and see what needs work. Does your wood trim need to be painted? Are your shrubs and plantings looking old and tired? Do you have ruts on the side of your driveway where you need to replant grass? Is your roof in need of repair? What about those crumbling, tilting and heaving sidewalks? If any of these fit your circumstances, you are encouraged to make repairs now and help hold the value of homes in our development. Your neighbors will thank you.

Planning to Add or Renovate? What to do?

High Point residents are governed by Covenants & Restrictions. If you plan to remodel your home exterior or an addition to your home, it is necessary to contact the association. An Architectural Review form must be completed and submitted with plans or drawings to the trustees for approval. Forms are available on our website (www.hpohio.com) or by calling the Homeowner Hotline.

◆ ◆ ◆ Tennis Courts Are Locked ◆ ◆ ◆

Residents need a key to use the tennis courts. Same key used for many years, stamped "TC." If you need a key, call the Homeowner Hotline to request a key. Trustees apologize that vandals keep jamming the lock, so the key will not work. It is a constant game to keep the lock working.
